**THAT Council writes to the Minister for Transport and Infrastructure requesting that the exhibition period be extended by four weeks until 15 August.**

**Background**

Transport for NSW has submitted a Preferred Infrastructure Report for the Sydney Metro – Sydenham to Bankstown.

The Preferred Infrastructure Report is to be publicly exhibited from Wednesday 20 June 2018 until Wednesday 18 July 2018.

This is a limited time frame and coincides with July school holiday period. Community groups and community members struggle with this limited period for submissions.

It is reasonable for Council to make a representation to the Department of Planning and Environment for an extension of the submission period.
