C1018(2) Item 36 Mayoral Minute: Bring Back the Sydney Rock Oyster**Motion: (Byrne)****THAT Council:**

1. Give in principle support to a partnership with its the Living Seawalls: Bring Back the Sydney Rock Oyster Project to identify locations in the local government area where seawall tiles can be trialled;
2. Receive a report, drawing on the recently approved Seawall tiles trial in North Sydney, on how a similar program can be implemented in the Inner West, including:
 - a) Assessment of appropriate public seawalls for installation;
 - b) Clarifying the process for assessment approval at any identified locations;
 - c) Processes for approval of the installation of tiles on private property, including whether this can be achieved without fees or the need of a development application.
3. Seek the collaboration of the NSW Government in identifying an approval process for the installation of sea wall tiles, on public and private property in the Sydney Harbour catchment;
4. Write to the Parramatta River Catchment Group to inform them of our commitment to the Living Seawalls project; and
5. As part of the project, survey oyster colonies, particularly in Rozelle Bay in Inner West LGA and report on the health and the toxins present in the oysters.

C1018(2) Item 37 Mayoral Minute: Balmain Leagues Club**Motion: (Byrne)****THAT:**

- 1. Council write to the shareholders of Wests Tigers, including Wests Ashfield, seeking discussions about how a Tigers Leagues Club could be delivered and operated within any approved development of the former Balmain Leagues Club site, as is required under Council's planning controls and the most recent NSW Land and Environment Court determination;**
- 2. Write to the Administrator of the Balmain Leagues Club seeking clarification about the state of the Club's assets, the likelihood of the Board being reformed and the potential for Wests Tigers' shareholders to take up the ownership or management of a Tigers Leagues Club within any approved development;**
- 3. Note the previous resolution of Leichhardt Council to offer assistance in the establishment of a charitable trust to fund the Balmain Tigers Rugby League Football Club;**
- 4. Write to Wests Tigers, the Australian Rugby League Commission and the New South Wales Rugby League stating our preference for arrangements to be made for the ongoing funding of the Balmain Tigers Rugby League Football Club through a charitable foundation, or other means, to ensure the Football Club's ongoing existence;**
- 5. Write to the NSW Government restating our opposition to the compulsory acquisition of the former Leagues Club site for use as a dive site for the proposed Western Harbour Tunnel, noting the enormous environmental, health and amenity impacts the project would have on the local community and Rozelle Public School; and**
- 6. Seek confirmation from Council Officers about when the Development Control Plan for the site will be reported to Council.**

Motion Carried**For Motion:** Crs Byrne, Da Cruz, Drury, Iskandar, Kiat, Lockie, Macri, McKenna OAM, Passas, Porteous, Raciti and Stamolis**Against Motion:** Crs Hesse and Steer**C1018(2) Item 38 Mayoral Minute: White Ribbon Day****Motion: (Byrne)****THAT:**

- 1. Council proceed with the event focusing on the prevention of violence against women planned to be held on 21 November at the Addison Road Community Centre;**
- 2. Council's publicity material for the above event should focus on the 16 Days of Activism to prevent violence, as aligns with Council's current practices and initiatives, and encourage our community partners to take a similar stance;**
- 3. Council writes urgently to the CEO of White Ribbon Day:**
 - a. Seeking private and public clarification from White Ribbon about their policy position and intentions with regards to women's reproductive**

rights;

- b. Requiring a response to this enquiry by 2 November to allow Council to further determine in which way Council will be involved with the White Ribbon Day event planned for 21 November 2018 at the Addison Road Community Centre; and
4. Confirming that we will remove Council association with White Ribbon if the organisation changes its policy position regarding reproductive rights.

C1018(2) Item 5 **Outcomes from the public exhibition of the Recreation Needs Study: A Healthier Inner West.**

Motion: (McKenna OAM/Byrne)

THAT:

- 1. Council endorse the *Recreation Needs Study: A Healthier Inner West* report;**
- 2. The *Recreation Needs Study: A Healthier Inner West* report is used to inform the development of a Recreation Strategy, Section 7.11 Contributions Plan and other relevant Council planning documents;**
- 3. All residents and stakeholders who expressed an interest are notified of Council's decision and thanked for their contribution; and**
- 4. That a further report, outlining the implementation timeline and funding options for the following priority actions within the study, be reported to Council in February 2019:**
 - Drafting of the recommended amendments to the Local Environment Plan and Development Control Plan to encourage provision of recreation facilities in new developments;**
 - Confirmation of the timeline for completion of the artificial surfacing of sporting fields study;**
 - Identification of a laneway or laneways where a pilot activation of the space for recreational use can be undertaken;**
 - Increasing investment in the upgrades of pocket parks in areas identified as having relative open space deficiencies;**
 - Review of the potential for partnerships with schools to improve sporting facilities and to make them available outside of school hours for community sport;**
 - Providing a pilot nature based play space for children within an existing park; and**
 - An audit of lighting across Council sporting facilities to identify where new lighting could increase the use, capacity and safety of sporting fields.**

Motion Lost**For Motion:** Crs Da Cruz, Hesse, Kiat, Porteous and Steer**Against Motion:** Crs Byrne, Drury, Lockie, Macri, McKenna OAM, Passas, Raciti and Stamolis**Absent:** Cr Iskandar**C1018(2) Item 6 Waterfront Sporting Ground-Cricket Nets Location****Motion: (Macri/Byrne)****THAT Council:**

1. Proceed with the installation of the cricket nets in the original Development Application approved site as per DA/2017/313, noting the significant risks associated with departing from this location;
2. Note the significant number of heritage listed trees which will need to be removed should the proposal proceed and the detrimental impacts this will have on the open space qualities of the Waterfront Precinct;
3. Consider revisiting the location of the cricket nets at a future time when either:
 - a) an adopted Landscape Structure Plan is completed for Callan Park or
 - b) the Callan Master Plan is adopted and the Callan Park and Broughton Hall Trust is established;
4. Retain the current alignment of the fence on the north-western side of the sporting ground noting that this area is a turning area for vehicles leaving the Waterfront Precinct and as a site for emergency parking for ambulances which may need to service the sporting field;
5. Note that a formal review of the current alignment of the fence on the north-western side of the sporting ground could be undertaken in the future, once car parking arrangements and realignment of the Bay Run are addressed as part of a landscape and traffic management plan for this area;
6. Instruct the contractors installing the nets that if possible they be installed to allow them to be packed down. Should this not be achievable the nets should be installed permanently; and
7. Should the removable nets be installed, they should be set up at the conclusion of each winter season and dismantled at the conclusion of each summer season.

**C1018(2) Item 11 Planning Proposal for 2-6 Cavill Avenue, Ashfield -
Supplementary Report on Affordable Housing Delivery
Mechanisms****Motion: (Drury/Kiat)****THAT Council:**

- 1. Note this report and proceeds to amend Ashfield Local Environmental Plan (LEP) 2013 now as indicated in the report to Council 24 July 2018, and implement the requirements of Clause 4.3A of the LEP by having future development consent conditions that ensure affordable housing is provided for management by a community housing provider while remaining in the ownership of the developer or successor; and**
- 2. Resolves that for sites within "Area 1" in the Ashfield Town Centre identified on the Maximum Height of Building Map, where development is approved pursuant to Clause 4.3 A (3) of the Ashfield Local Environmental Plan 2013, Council confirms that that development consent conditions should be applied to ensure affordable housing is achieved and appropriately managed by a registered community housing provider in perpetuity.**

Motion Carried**For Motion:** Crs Byrne, Da Cruz, Drury, Hesse, Kiat, Lockie, Macri, McKenna OAM, Passas, Porteous, Raciti, Stamolis and Steer**Against Motion:** Nil**Absent:** Cr Iskandar**Motion: (Stamolis/Passas)****THAT items 10, 13, 16, 17, 22, 23 and 25 be brought forward and moved en bloc and the recommendations contained in the reports be adopted by Council.****Motion Carried****For Motion:** Crs Byrne, Da Cruz, Drury, Hesse, Kiat, Lockie, Macri, McKenna OAM, Passas, Porteous, Raciti, Stamolis and Steer**Against Motion:** Nil**Absent:** Cr Iskandar**C1018(2) Item 10 Planning Proposal Assessment Report - 1-5 Chester Street,
Annandale****Motion: (Stamolis/Passas)****THAT:**

- 1. Council does not support the Planning Proposal for the reasons outlined in the report including that:**
 - a) It fails the Strategic Merit Test of "A guide to preparing planning proposals" as it is inconsistent with key objectives and priorities of the Greater Sydney Region Plan 2018; Eastern City District Plan 2018; and Parramatta Road Corridor Urban Transformation Strategy (PRCUTS) 2016.**

Specifically, the Planning Proposal is inconsistent with the following elements of PRCUTS:

- i. Policy context and the Strategy's vision for the Corridor and especially**

- for the Camperdown precinct which is for residential development including affordable, student and key workers accommodation to support biotechnology and employment uses;
- ii. Implementation Tool Kit including the Implementation Plan 2016-2023, Planning and Design Guidelines, Infrastructure Schedule and Urban Amenity Improvement Plan;
 - iii. Reference Reports including the Precinct Transport Report, Fine Grain Study and Sustainability Implementation Plan;
 - iv. Exceeds the Planning and Design Guidelines recommended density by 73.3% without satisfactorily demonstrating that the proposal would achieve better built form outcomes or design excellence; and
 - v. Does not meet the requirements of the Parramatta Road Implementation Plan 2016 - 2023 '*Out of Sequence Checklist*' criteria.
- b) It is inconsistent with the Ministerial Directions issued under Section 9.1 of the Environmental Planning and Assessment Act 1979 including Directions No. 1.1 - Business and Industrial Zones, 7.1 - Implementation of A Plan for Growing Sydney and 7.3 - Parramatta Road Corridor Urban Transformation Strategy;
 - c) It is inconsistent with the Inner West Council Community Strategic Plan 2018;
 - d) It is inconsistent with Leichhardt Employment and Economic Development Plan 2013 - 2023, Leichhardt Employment Lands Study 2014 and Leichhardt Industrial Precinct Planning Report 2016 and would result in loss of employment and urban services land;
 - e) It is premature in the light of the prospective outcomes of strategic planning studies and projects underway at State and Local Government levels;
 - f) It does not demonstrate that it will make an adequate contribution towards the provision of affordable housing which is inconsistent with the objectives of the Greater Sydney Region Plan 2018, Eastern City District Plan 2018 and Council's Affordable Housing Policy; and
 - g) Support of this Planning Proposal would result in a premature and adverse development precedent in the Camperdown Precinct and for other sites in the Parramatta Road Corridor Strategy area.
2. Should the proponent request a Rezoning Review by the NSW Department of Planning and Environment, delegation is given to the Group Manager of Strategic Planning to lodge a submission to the review process in accordance with this report and Council's related resolution.
 4. Council prioritise preparation of a Masterplan for the Camperdown Precinct in collaboration with health and education stakeholders to support the development of innovative and incubator biotechnology activities in the area.
 5. Council resolves as the planning proposal authority for the Inner West LGA to not accept any new private planning proposals in the urban renewal areas of Parramatta Road Corridor and Sydenham to Bankstown Corridor until the completion of the Inner West LEP, DCP and Infrastructure Contributions Plan.
 6. Council write to the Minister for Planning to request a similar arrangement to that provided for the City of Ryde Council whereby the rezoning review process

is suspended for planning proposals in the Parramatta Road and Sydenham to Bankstown Corridors from 30 October 2018 to 1 November 2020.

C1018(2) Item 12 Planning Proposal - Precinct 75 - Mary, Edith, Roberts Streets, St Peters

Motion: (Lockie/Hesse)

THAT:

- Council does not support the Planning Proposal in its current form for the reasons given in the planning report, including inadequate retention of existing levels of employment floorspace, stage agency submission on the adequacy of the capacity of the local street system, adverse impacts on residences, overdevelopment, and community concerns.**
- Council would support an amended proposal for:**

- (i) Retention of the existing IN2 - Light Industrial Use zone for the part of the site affected by the ANEF contours of 25-30, as indicated in the map in this report to prevent any residential use adversely impacted by aircraft noise. The remaining part of the site being re-zoned to permit residential and also employment generating uses;
 - (ii) Reduced Maximum Building Height to ensure future buildings will have an appropriate scale and amenity impact on the existing house at Unwins Bridge Road, and houses between Edith Street and Silver Street and on Mary Street;
 - (iii) Reduced Maximum Floor Space Ratio to correspond with reduced building heights in (ii); and
 - (iv) Include 3.6 meter landscaped buffer and an enclosed and sound proofed structure for the ramp and exit to the car Park on Mary Street.
3. Council request the Department of Planning and Environment to confirm that it agrees with the recommended amendments to the Planning Proposal in (2) above, and requests that Council:
 - Make amendments to the Planning Proposal;
 - Forward the amended Planning Proposal to the Department for an amended Gateway Determination;
 - Produce a site specific Development Control Plan reflecting the amended Planning Proposal, and addressing the matters identified in the planning report to Council.
4. Should the Department of Planning and Environment not accept Recommendation 2, and support the B4 zoning for the site, Council requests the Planning Proposal be amended for:
 - (i) B4 Mixed Use land use zone, together with a site specific clause in the Marrickville LEP 2013 to maintain at least as much employment floorspace as currently exists on the site, retains historic buildings and prohibits any residential use within the parts of the site affected by the ANEF 25-30 contours;
 - (ii) Reduced Maximum Building Height as identified in the Part 4.2 of the report to ensure future buildings will have an appropriate scale and amenity impact on the existing house at Unwins Bridge Road, and nearby houses between Edith Street and Silver Street, and
 - (iii) Reduced Maximum Floor Space Ratio to correspond with reduced building heights as identified in Part 4.2 of the report.
5. The Department of Planning and Environment should be requested to confirm that Council should negotiate a Voluntary Planning Agreement with the site owner, prior to publication of the Planning Proposal on the NSW legislation website for the following:
 - (i) Provision of affordable housing in accordance with Council's Affordable Housing Policy.
 - (ii) Necessary road reservation improvements in Edith Street to cater for two way traffic access to the site, and also to make public domain improvements identified in the report.
 - (iii) Necessary footpath provision in Mary Street to ensure there is continuous safe pedestrian travel along the street.

- (iv) Provide for creative industries.
6. If the Department of Planning and Environment accepts Council's recommendations above in (3) and (4) the preparation of an amended Planning Proposal and a site specific Development Control Plan is delegated to the Group Manager Strategic Planning;
 7. Council defer the assessment of the current Development Application on the site pending the outcomes of (6) above;
 8. Council defer the assessment of any Development Application for the site pending the adoption of a site specific Development Control Plan in accordance with the Environmental Planning and Assessment Act 1979, that supports the content of the recommended future amendment to the Marrickville LEP 2011 and addresses the issues identified in this report;
 9. If the Department of Planning and Environment accepts Council's recommendations above in (3) and (4), Council will review the air quality analysis and continue to liaise with the RMS and the EPA regarding the air quality impacts from the WestConnex stacks, especially in the light of evidence presented at the WestConnex parliamentary inquiry and recent media reports that contradict the RMS's assessment; and
 10. Council notes in relation to possible VPA negotiations for affordable housing, that Council may also be able to obtain an affordable housing contribution through a mandatory affordable housing contribution scheme, and that any future work on affordable housing contribution schemes should consider this precinct.

Councillor Macri returned to the Meeting at 7:19 pm.

C1018(2) Item 14 WestConnex Update Report

Motion: (McKenna OAM/Byrne)

THAT Council:

1. Includes in its next quarterly newsletter information on WestConnex impacts and areas of assistance offered by Council, with reference to the issues listed in the Council report. This information is to be supported by complementary information on Council's website and within the existing WestConnex Weekly Update Reports. Actions to be investigated and implemented for increasing the readership of the Weekly Update Reports;
2. a) That Council writes to the NSW Premier with copies to relevant ministers and local State members to:
 - Request details of the outcome of any Roads & Maritime Services (RMS) review carried out of the location and installation of RMS street 'furniture' (cabinets, signs and poles) at Haberfield-Ashfield and similarly obstructive signs and

infrastructure in St Peters, such as the electrical box recently installed outside 10 Brown St, St Peters;

- Direct relevant Ministers, RMS and the M4 East contractor to review and relocate street furniture (wherever possible) in consultation with Council and the local community, to ensure that this infrastructure should be located well away from footpaths within the verge as close as possible to the kerb, not blocking footpaths or creating a hazard for pedestrians, other footpath users and to drivers exiting streets;
- Direct the redesign and widening of the footway on the southern or Ashfield side of Parramatta Road between Orpington & Bland Streets including the intersection with Chandos Street to its original pre-WestConnex width of approximately four metres;
- Point out that the newly-installed WestConnex-related road signs at the front of Ashfield Park are in breach of M4 East Condition of Approval B26, which is intended to prevent visual impacts on Ashfield Park;
- Request a review of the safety and accessibility of signalised pedestrian crossings around the M4 East Haberfield interchange, i.e. Parramatta Road crossing at Bland Street, Parramatta Road crossing at Wattle Street, Wattle Street crossing at Ramsay Street and Dobroyd Parade crossing at Waratah Street;
- Request RMS and project contractors to take immediate action to reduce kerbside parking demands in Haberfield-Ashfield, particularly around the Haberfield Public School, noting work on the Parramatta Road construction sites is about to commence;
- Request the RMS and project contractors work with Council to install traffic calming and 40kph speed limits around all Haberfield-Ashfield construction sites;
- Request RMS to supply to Council and DP&E information from 'consistency assessments', to be examined by Council and DP&E for consistency with conditions of approval;
- Request a meeting with DP&E staff prior to approval of WestConnex Stage 3 Modification 1 regarding the following further construction impact mitigation measures: vehicular access to both Parramatta Road construction sites to/from Parramatta Road; reduced vehicle speed limit around all construction sites; no out-of-hours works on civil sites; no shuttle bus or construction vehicle layover to service out-of-area construction sites; all spoil haulage trucks to use M4 East tunnels; increased level of mitigation for noise, vibration, dust and property damage; extension of the project impact area for property assessment purposes from 50 to 100 metres; temporary pedestrian access bridge between Parramatta Road construction sites to be open to the public; additional crossing guards around Haberfield Public School, funded by RMS, SMC and/or project contractors; and an expanded area for offer of alternative accommodation or voluntary acquisition for severely affected residents around construction sites.

b) Staff:

- Work with the local traffic committee and disability groups in their advocacy work toward relocation of the RMS street furniture, widening of the Parramatta Road footway and assessment of signalised pedestrian crossings; and
- Support the Haberfield Public School efforts to approach to RMS to secure crossing guards at Bland St and Denman Avenue;

3. Writes to the NSW Premier and relevant Ministers seeking a dialogue with the WestConnex Stage 3A (mainline tunnel) contractor to inform the community of details of what facilities and activities are planned for the Ashfield-Haberfield Muirs sites;
4.
 - a) Writes to the Premier and relevant Ministers seeking a meeting with relevant Minister(s) and staff from RMS and Sydney Motorway Corporation (SMC):
 - to express concern about inadequate consultation on the M4 East Urban Design & Landscape Plan (UDLP) to date;
 - to seek further input by Council and the community in this plan prior to its finalisation; and
 - to ensure there is adequate consultation on the Haberfield Gardens legacy plan prior to its finalisation.
 - b) Writes to the Premier requesting that Treasury authorises RMS to return all residual lands in Haberfield and Ashfield to open space or other appropriate community uses, in recognition of the considerable impacts suffered by the Haberfield-Ashfield community from WestConnex construction and the limited amount of open space available in this densely-developed part of Ashfield;
 - c) Discusses with the owner of the former Buddhist temple site the possibility of working with RMS to create more publicly-accessible open space around the realigned Parramatta Road between Orpington and Chandos Streets at Ashfield; and
 - d) Requests information from RMS on all residual lands (including acquired properties that are surplus) and lands that are proposed to be acquired;
5.
 - a) Requests a review by Council legal staff of the proposed occupation of a portion of Reg Coady Reserve at Haberfield that is part of the creation of the G-loop for WestConnex Stage 3. Legal staff to investigate seeking appropriate compensation for use of this land.
 - b) In collaboration with Canada Bay Council, writes to Sydney Water to clarify details and timelines for the proposed naturalisation of Iron Cove Creek. Council to propose that part of the cost of this naturalisation work be borne by RMS, SMC and/or Stage 3 contractor as a contribution to revitalising areas that have been negatively affected by WestConnex;
6.
 - a) Establishes a register and map of properties that have been reported to have suffered damage from WestConnex construction. Council to inform residents of this register and encourage them to inform Council of WestConnex-related property damage regardless of distance from WestConnex tunnels and construction sites. The register to be kept up-to-date and be available to the public via Council's website. Advice from Council's legal and risk management staff on legal or other risks to be sought before proceeding with this action; and
 - b) Writes to RMS, SMC and WestConnex Stage 3 contractors to advocate increasing the qualification zone for pre-condition reports from 50m to 100m.
7. Reimburses Rozelle Against WestConnex (RAW) \$890 (including GST) for flyer printing for the 14 April 2018 anti-WestConnex rally in King George Park and \$113.85 (including GST) for materials needed to erect 150 of Council's anti-WestConnex confluence signs on poles in the Rozelle area (total RAW expenses =

\$1,003.85). Reimbursement is subject to provision to Council of invoices, receipts or other proof of expenses.

Motion Carried

For Motion: Crs Byrne, Da Cruz, Drury, Hesse, Kiat, Lockie, McKenna OAM, Porteous, Raciti, Stamolis and Steer

Against Motion: Crs Macri and Passas

Amendment (Porteous/Hesse)

THAT Council reimburses Rozelle Against WestConnex (RAW) \$890 (including GST) for flyer printing for the 14 April 2018 anti-WestConnex rally in King George Park and \$113.85 (including GST) for materials needed to erect 150 of Council's anti-WestConnex corflute signs on poles in the Rozelle area (total RAW expenses = \$1,003.85). Reimbursement is subject to provision to Council of invoices, receipts or other proof of expenses.

Motion Carried

For Motion: Crs Da Cruz, Hesse, Kiat, Lockie, Porteous, Stamolis and Steer

Against Motion: Crs Byrne, Drury, Macri, McKenna OAM, Passas and Raciti

As the Amendment was carried it was incorporated into the Primary Motion.

C1018(2) Item 15 Western Harbour Tunnel Reference Design

Motion: (Lockie/Stamolis)

THAT Council:

- 1. Makes a submission to Roads & Maritime Services (RMS) on the Western Harbour Tunnel reference design by the 9 November 2018 deadline; and**
- 2. Endorses the following additions and edits to the draft submission at Attachment 1:**
 - a) Council's objection to the strategic justification for the project includes reference to a point made in transport academic's submission to the WestConnex Parliamentary Inquiry by transport academic Dr Michelle Zeibots, available on the Inquiry's website, that one of the key purposes of the Western Harbour Tunnel and F6 projects is to feed traffic into WestConnex and improve its profitability, particularly in the peak period when WestConnex traffic volumes are predicted to be low on the absence of these additional projects. Taxpayer funds continue to be used to create profits for what are essentially private tollway projects;**
 - b) Council's objection to the lack of stack filtration and adequate tunnel ventilation includes additional information about why the approaches proposed by the NSW Government are not best practice and will lead to unacceptable exposure to pollutants for residents who live near or drive through this tunnel; and**
 - c) Various edits and additions suggested in Attachment 2 in track-change format.**
- 3. Includes in its submission comments about the lack of strategic justification of the project and the limited information on the bases of traffic volumes and traffic use;**
- 4. Includes the following points and they be emphasised in the submission:**

- a) Council consistently identified prior the Western Harbour Tunnel being proposed that the design of WestConnex Stage 1 and 3 would result in congestion at the intersection of the City West Link and the ANZAC Bridge, to which the Government responded that this would not be the case. Asserting now the Tunnel is required to alleviate the choke point demonstrates the poor planning and inconsistency that has epitomised the project;
- b) Greater detail on the safety and health impacts posed to students from Rozelle Public School due to cumulative truck and vehicle movements and air pollution; and
- c) Reference to the fact that compulsory acquisition of the former League Club site will eliminate any possibility of a Tigers Leagues Club being established in the proposed redevelopment.

Motion Carried

For Motion: Crs Byrne, Da Cruz, Drury, Hesse, Kiat, Lockie, Macri, McKenna OAM, Passas, Porteous, Raciti, Stamolis and Steer

C1018(2) Item 28 Notice of Motion: Pocket Park Upgrade

Motion: (Passas/Raciti)

THAT Council:

1. Upgrade the fencing, gate and playground equipment at the pocket park located at Elizabeth Street, Ashfield between Alt Street and Frederick Street, Ashfield with the funds from the Ashfield SRV Parks renewal fund; and
2. Repair the fencing, gate and playground equipment at the pocket park located at Elizabeth Street, Ashfield between Alt Street and Frederick Street, Ashfield.

Motion Carried

For Motion: Crs Byrne, Da Cruz, Drury, Hesse, Kiat, Lockie, Macri, McKenna OAM, Passas, Porteous, Raciti, Stamolis and Steer

Against Motion: Nil

Amendment (Hesse/Da Cruz)

THAT Council repair the fencing, gate and playground equipment at the pocket park located at Elizabeth Street, Ashfield between Alt Street and Frederick Street, Ashfield.

Motion Carried

For Motion: Crs Byrne, Da Cruz, Drury, Hesse, Lockie, McKenna OAM, Porteous, Stamolis and Steer

Against Motion: Crs Macri, Passas and Raciti

Councillor Passas returned to the Meeting at 7:58 pm.

C1018(2) Item 2 Draft Dawn Fraser Baths Master Plan: Feedback from Public Exhibition

Motion: (Byrne/Macri)

THAT Council:

- 1. Council adopts the draft Dawn Fraser Baths Master Plan (ATTACHMENT 1);**
- 2. All residents and stakeholders who made submissions during the public exhibition period be notified of Council's determination;**
- 3. The master plan be used to inform future capital upgrades at the Dawn Fraser Baths;**
- 4. Note the funding commitment announced by the federal Opposition for a \$2 million and the NSW Opposition for a \$1 million contribution toward the heritage restoration of Dawn Fraser Baths and write to the Federal and NSW Governments seeking bipartisan support for these funding contributions;**
- 5. Note that the final design plans for the Dawn Fraser Baths essential works are due to be reported to Council, with confirmation of final costs, in early 2019;**
- 6. Include in the report with the final design plans a breakdown of which works and projects would be deferred under funding options 5 (redistribution of aquatic centre renewal funding) and 6 (redistribution of future Leichhardt s94 open space funding). Full details of the impacts of any funding reallocation on Annette Kellerman Aquatic Centre, Leichhardt Park Aquatic Centre, Fanny Durack Aquatic Centre and Ashfield Pool are to be disclosed in the report;**
- 7. Notes that the recently identified urgent works for Dawn Fraser Baths are estimated to cost \$6.7 million; of which \$4.5 million is already funded;**
- 8. Notes that given the heritage significance and uniqueness of the Dawn Fraser pool to NSW, and its use as a sporting and recreational facility, it has lodged a grant application for a \$4.2 million Greater Sydney Sports Facility Grant of which part or all will be used to fund the pool;**
- 9. In order to assure the community that these restoration works will proceed as soon as possible: brings forward the existing LTFP (years 5+) funding for Aquatic Centre Renewal to meet the \$2.2 million funds required for the Dawn Fraser Pool restoration works;**
- 10. Utilise funding from the Aquatic Centre Renewal (5+ years) should the Greater Sydney Sports Facility Grant not be successful;**
- 11. Note that the Aquatic Centre Renewal funding for years 6 to 10 will therefore be reduced in the current budget but should be reviewed in 2019/20 and subsequent years with a view to reinstating these funds where reprioritisation of other capital projects permits; and**

12. Note that Elkington park is an established bush care site and that work on the site be undertaken in conjunction with the urban ecology team and that plants be sourced from the Rozelle Bay Community Native Nursery through early advice or the plant requirements.

C1018(2) Item 7 Swimming In Parramatta River - New Site for Inner West

Motion: (Drury/Stamolis)

THAT Council:

1. Promotes opportunities for comment on the Draft Ten Steps to a Swimmable River - the Parramatta River Master Plan by the Parramatta River Catchment Group via Council's usual communications and media;
2. Notes that the Parramatta River Catchment Group and Council will use the National Health and Medical Research Council 2008, Guidelines for Managing Risks in Recreational Water and NSW Health guidelines as the risk and evidence based approach for confirming a swim site in Callan Park;
3. Notes that the preferred site to investigate for swimming in Callan Park is the Callan Park Seawall site as the Callan Park Beach site is not recommended for activation as a swimming site due significant Aboriginal and ecological heritage in the surrounding area; and
4. Considers at the next quarterly review an allocation of funding of \$45,000, to support chemicals in water and sediment testing to inform the decision-making process for swim site activation at the Callan Park Seawall site.

Motion Carried

Councillor Raciti left the Meeting at 8:35 pm.

C1018(2) Item 8 Zero Waste Strategy and Transition Plan for a common customer focussed resource recovery and waste management service

Motion: (McKenna OAM/Byrne)

THAT Council:

1. Note the proposed steps in developing the Zero Waste Strategy and Transition Plan;
2. Endorse the planned redesign over the next 12 – 18 months, of key resource recovery and waste management services to allow Council to transition to and establish a common Inner West domestic and commercial service;
3. Endorse the use of up to \$200,000 from the Domestic Waste Management Reserve to fund the development of the Zero Waste Strategy and Transition Plan;

4. Note that a report/s on redesigned services for the following will be presented to Council for consideration in early-mid 2019/2020:
 - a. Kerbside domestic food and garden organics and landfill services,
 - b. Kerbside domestic recycling services,
 - c. Kerbside Household Clean Up including illegal dumping and other kerbside booked collections e.g. metals, white goods, mattresses,
 - d. Drop off services including e-waste, problem wastes, the weekend transfer station and Community Recycling Centre/s,
 - e. Reuse and Recycling Centre, and
 - f. Kerbside commercial services (recycling, organics and landfill).
5. Support the allocation of \$10,000 from the domestic waste charge (currently within the resource recovery planning budget), over the next three years to partner with the UNSW on micro-recycling, to supplement and in accordance with Council's previous resolution to *immediately commence consideration of the option of the collaboration with industry and universities on recycling micro factories*;
6. Consider releasing, at the next quarterly budget review \$100,000 of the allocated funds for the Reuse and Recycling Centre from the Domestic Waste Reserve to allow this project to recommence its planning and design;
7. Include consideration of a pilot food and garden waste recycling service, to cover all households in the former Marrickville LGA, commencing when the current Marrickville LGA domestic waste contract concludes in June 2019. Options for establishing the pilot should be included in the next report to Council regarding the new contract;
8. Initiate public consultation events, to be held in all wards across the Municipality seeking community input on the development of the Zero Waste strategy, with the community engagement to be titled the Inner West War on Waste; and
9. Prepare a brief summary of best practice food recycling services provided across the local government sector, including links to any service reviews that have been conducted by councils or other organisations of these services. This should include reference to NSW Councils that have implemented, or are rolling out, a universal food recycling service. The summary should be limited in scope so as to allow it to be reported to Council in December 2018; and
10. Keep a reserve of bins from changeover and make them available to residents who have lost their bins, a maximum of three times only.
