C1021(2) Item 34 Mayoral Minute: Parking Meter Operations Following Lockdown	3

Item No: C1021(2) Item 34
Subject: MAYORAL MINUTE:PARKING METER OPERATIONS FOLLOWING LOCKDOWN
From: The Mayor, Councillor Rochelle Porteous

MOTION:

THAT Council extends the period during which parking meters are turned off on Norton Street, Leichhardt; Darling Street, Rozelle/Balmain, King Street and Enmore Road, Newtown/Enmore to 31 December 2021.

Background

Council at its meeting held on 3 August 2021 resolved that it:

Determines to turn off the parking meters on the high streets (Darling, Norton and King Streets) during this and any subsequent lockdown;

Parking meter operations on the mainstreets of Balmain, Rozelle, Leichhardt and Newtown/Enmore were subsequently ceased from mid-August 2021.

Following the NSW community achieving a 70% vaccination rate, the lockdown restrictions were eased from Monday, 11 October 2021 and parking meter operations resumed.

I have received numerous pieces of correspondence following the resumption of parking meter operations asking that parking meters continue to be turned off to support the local community.

Any loss of income from turning off the meters until 31 December is to be funded as part of the second quarter budget review.
