Background

This week Council's new food recycling service to free-standing homes has commenced. It's important in the initial roll-out of the new service that Council provide clear information and all the practical assistance needed to help residents to take ownership of the service and make it a success.

Item No: C1023(1) Item 44
Subject: MAYORAL MINUTE: REFERENDUM DAY EVENT
From: The Mayor, Councillor Darcy Byrne

MOTION

That Inner West Council host a referendum night event at Wests Ashfield Leagues Club making use of the auditorium there. The likely cost of food and beverages for the evening will be approximately \$5000, funding for which is to be identified in the next quarterly review.

Background

Thousands of Inner West citizens have advocated for Yes in the referendum on Aboriginal and Torres Strait Islander constitutional recognition through a Voice to Parliament. Regardless of the result, referendum day will be a significant and emotional time for many thousands of our citizens. It is important that our community is able to come together as a collective while the votes are being counted and the result is being determined, in order to support each other.

Item No: C1023(1) Item 45
Subject: MAYORAL MINUTE: BAIRRO PORTUGUÊS
From: The Mayor, Councillor Darcy Byrne

MOTION

1. That Council hold the 2024 Barro Portuguese festival as an evening event.
 2. That Council collaborate with representatives of the Portuguese community and local businesses in Petersham to arrange Portuguese-themed Christmas decorations in 2023, to be funded from existing main street improvement budgets.
 3. That Council convene a meeting with Portuguese community representatives to consult them on the location and design of the signage and artwork being developed for the Little Portugal Precinct.
-

Background

Last week I met with Council's events team and representatives of the Portuguese community to discuss the preparations for the next year's Bairro Português Festival as well as the ongoing strengthening of the friendship agreement between the Inner West Council and the Portuguese government.

Council officers advised the representatives of their recommendation that the festival be moved to a night-time event to enable safe participation by the whole community at what is, typically, a very hot time of year. In addition, the Portuguese community representatives made further requests for a collaboration with Council regarding the Little Portugal Precinct.
